"Note that all seven rows are ways of looking at the tasks that are of real value. Nevertheless, it would be a great mistake to assume that any one row is the answer to the Unfinished Task. None of the numbers in the final column (Left to Do!) are exact. All the numbers are conservative. For example, only as clusters of unreached peoples are actually penetrated can anyone know the possibility of divergent sub-groups. Therefore, the USCWM lists 8,000 in need of church planting movements to make sure the task remaining is not under-estimated. No one communication tool or approach can by itself complete the Great Commission. God is orchestrating all of these tools and approaches to bring about 'A Church for Every People.'"
