Arabic-speaking Moroccans in Morocco

670 AD, the Umayyads of Damascus completed the first Islamic conquest of the North African coastal plain, settling in what is now Morocco, which they called "Maghreb al Aqsa" or "The Far West." Arabs have ruled this region ever since, which includes the original Berber tribal groups of North Africa, some of whom were Christians before the Arab invasion. This cultural mix resulted in scholarly advances in science, mathematics, astronomy, geography, and medicine.

Ministry Obstacles

Historically, ministry in Morocco won individuals away from their families and gathered them into new churches. As a result, many view Christianity as a threat to their families and communities.

Outreach Ideas

Christian businessmen may have opportunities to apply the model Jesus gave in Mt. 10 and Lk. 10 to find persons and households of peace and bless whole families and households among these Arab / Berber peoples.

Prayer Focus

Pray for the Holy Spirit to work powerfully through the many people witnessing to the Moroccan Arabs. Pray for Moroccan Arab believers to become

POPULATION: 23,940,000

LANGUAGE: Moroccan Arabic

RELIGION: Islam

BIBLE: New Testament

effective and fruitful in sowing God's word among their families and communities to fuel a movement of God's blessing spreading from household to household. Pray that a strong movement to Jesus will bring whole Moroccan Arab families and communities into a rich experience of God's blessing.

SCRIPTURE The highest angelic powers stand in awe of God. He is far more awesome than all who surround His throne. O Lord God of Heaven's Armies! Where is there anyone as mighty as you, O Lord? You are entirely faithful. Ps 89:7

PRAY that many from today's people group will understand that the only God is the Lord, and they must turn to Him. Pray they will be in awe of His might.
