# Sikh Dhillon Jats in India

**T**he Dhillon Jats of India's Punjab State are often called the Raja Jats due to the large number of kings, royalty and warriors in their history. Some believe the Dhillon Jats founded India's capital city, Delhi. There is a strong Christian presence in India's Punjab state where most members of the Dhillon Jats live.

## Ministry Obstacles

Unfortunately, people with high status such as the Dhillon Jats are often the least open to the gospel message and least open to change. Christianity got its foothold in India by appealing to the backward castes who eagerly welcomed the gospel message. It gave them hope, but it also made the Dhillon Jats see the church as being for "lower status" peoples.

## Outreach Ideas

Present Jesus Christ as the Bible presents Him—as the King of kings and the Lord of lords. There could be no higher calling than to become a co-heir with Jesus Christ and to live in Heaven with Him forever.

## Prayer Focus

Pray for Dhillon Jats to put their hope

**PRAY** that the believers in today's people group would long for the word of God and grow into spiritual maturity.
